## Company Brief Introduction

Dalian Fortune Textiles & Clothing Co., LTD. (DFTCC) is the reliable and powerful exporter supplier of Clothing products & Textiles products. Men's and Lady's Formal suits; Casual suits; Coat, Jacket, Blazer, Pants, Shorts, Children's wear; Skirts; Pajamas ( Pyjamas ); Uniforms; Wind coats; Students' wear; Washed pants; and Waistcoat are covered in our company's Clothing products. The Home textiles include Beddings; House Textiles; Table Textiles and Kitchen Textiles and Other Textiles. In addition, garment accessories are also our main lines. Our garment accessories products cover varies pocket fabrics (those fabrics could be cotton, T/C, Polyester; or plain, twill, satin, herringbone, teasel, brushed, flannel, etc.), sleeve linings, body linings, suit fabrics, and so on.

Any inquiries from you are welcome by e-mail or fax. After we received your samples or detail production indications, We will offer you the best price immediately, and make counter samples for you within 3 to 7 days. And we will also provide other services for our customers such as designing and modify advice of the products according to our similar product experiences, providing new style trends of product for customer's market, customs, export documentary, shipping and so on.

Our acceptable payment term is L/C at sight or T/T, and the usually lead time is different from 10 to 15 days according to the different products. We also could provide our customer the best after sails service.

Our location and transportation are very convenient. There is about 10 kilometers away from our company to the entrance of Shen-Da Express Highway. It is only four minutes drive from Dalian's port and 18 minutes drive from Dalian International Airport.

At present, DFTCC is taking long strides towards a major textiles and clothing manufacturer and trader with international competitiveness in variety, style, designing, small batch processing capability, and in-tim delivery. DFTCC has gained recognition from customers home and abroad with our assorted selection of exclusive textiles and clothing products, reliable and stable quality, in-time delivery, creditability, client-oriented and comprehensive value-added services. Our reputation makes us a reliable and attractive partner to many customers from all over the world.

As same as we did in the past, we will continue to build up our reputation, more efficient services and better quality of textiles clothing products. DFTCC is well ready to cooperate with all friends across the native and overseas to strive for a common progress.
