Company Brief Introduction

Dalian Fortune Textiles & Clothing Co., LTD. (DFTCC) is the reliable and powerful exporter supplier of Clothing products & Textiles products. Men's and Lady's Formal suits; Casual suits; Coat, Jacket, Blazer, Pants, Shorts, Children's wear; Skirts; Pajamas (Pyjamas); Uniforms; Wind coats; Students' wear; Washed pants; and Waistcoat are covered in our company's Clothing products. The Home textiles include Beddings; House Textiles; Table Textiles and Kitchen Textiles and Other Textiles. In addition, garment accessories are also our main lines. Our garment accessories products cover varies pocket fabrics (those fabrics could be cotton, T/C, Polyester; or plain, twill, satin, herringbone, teasel, brushed, flannel, etc.), sleeve linings, body linings, suit fabrics, and so on.

Any inquiries from you are welcome by e-mail or fax. After we received your samples or detail production indications, We will offer you the best price immediately, and make counter samples for you within 3 to 7 days. And we will also provide other services for our customers such as designing and modify advice of the products according to our similar product experiences, providing new style trends of product for customer's market, customs, export documentary, shipping and so on.

Our acceptable payment term is L/C at sight or T/T, and the usually lead time is different from 10 to 15 days according to the different products. We also could provide our customer the best after sails service.

Our location and transportation are very convenient. There is about 10 kilometers away from our company to the entrance of Shen-Da Express Highway. It is only four minutes drive from Dalian's port and 18 minutes drive from Dalian International Airport.

At present, DFTCC is taking long strides towards a major textiles and clothing manufacturer and trader with international competitiveness in variety, style, designing, small batch processing capability, and in-tim delivery. DFTCC has gained recognition from customers home and abroad with our assorted selection of exclusive textiles and clothing products, reliable and stable quality, in-time delivery, creditability, client-oriented and comprehensive value-added services. Our reputation makes us a reliable and attractive partner to many customers from all over the world.

As same as we did in the past, we will continue to build up our reputation, more efficient services and better quality of textiles clothing products. DFTCC is well ready to cooperate with all friends across the native and overseas to strive for a common progress.

minutes drive from Dalian International Airport.

At present, DFTCC is taking long strides towards a major textiles and clothing manufacturer and trader with international competitiveness in variety, style, designing, small batch processing capability, and in-time delivery. DFTCC has gained recognition from customers home and abroad with our assorted selection of exclusive textiles and clothing products, reliable and stable quality, in-time delivery, creditability, client-oriented and comprehensive value-added services. Our reputation makes us a reliable and attractive partner to many customers from all over the world.

As same as we did in the past, we will continue to build up our reputation, more efficient services and better quality of textiles clothing products. DFTCC is well ready to cooperate with all friends across the native and overseas to strive for a common progress.

Main Products Catalog

1. Brushed Pocketing fabric

Model Number: 1025-black

Brushed Teasel Pocket Fabric with 90 to 150gsm Weights

Key Specifications:

- Teasel (brushed) pocket fabric
- Material: 100% cotton and T/C 100% polyester
- Widths: 105 to 210cm
- Weights: 90 to 150gsm

Model Number: 102506-beige**Teasel Cotton Body Lining Fabric with 104 to 150cm Width****Key Specifications:**

- Teasel body lining fabric
- Material: 100% cotton
- Width: 104 to 150cm
- Weight: 80 to 150gsm

Model Number: 102506-grey-green**Teasel Body Lining Fabric, Made of 100% Cotton****Key Specifications:**

- Teasel body lining fabric
- Material: 100% cotton
- Width: 104 to 150cm
- Weight: 80 to 150gsm

Model Number: 22621**Cotton/Polyester Sanding Pocket Fabric with 100 to 150cm Width****Key Specifications:**

- Cotton/polyester sanding (slight brushed or warm) pocket fabric
- Material: 100% cotton, T/C 100% polyester
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 1025**100% Cotton Teasel Brushed Pocket Fabric, Available in 105 to 210cm Width****Key Specifications:**

- Material: 100% cotton or T/C 100% polyester
- Width range: 105 to 210cm
- Weight range: 90 to 150gsm

Model Number: 1025-bleached

Brushed Pocket Fabric, Made of 100% Cotton, with 105 to 210cm Width

Key Specifications:

- Material: 100% cotton, T/C, 100% polyester
- Width: 105 to 210cm
- Weight: 90 to 150gsm

Model Number: 1025-grey

90 to 150gsm Teasel Brushed Pocket Fabric, Made of 100% Cotton

Key Specifications:

- Teasel (brushed) pocket fabric
- Material: 100% cotton, T/C polyester
- Width: 105 to 210cm
- Weight: 90 to 150gsm

Model Number: 2262-black

Brushed Teasel Pocket Fabric, Made of Cotton or Polyester

Key Specifications:

- Teasel (brushed) pocket fabric
- Material: 100% cotton and T/C 100% polyester
- Widths: 105 to 210cm
- Weights: 90 to 150gsm

Model Number: 2262-brown

Cotton/Polyester Teasel Pocket Fabric with 105 to 210cm Width

Key Specifications:

- Teasel (brushed) pocket fabric
- Materials: 100% cotton, T/C polyester
- Width: 105 to 210cm
- Weight: 90 to 150gsm

Model Number: 2262-grey

Cotton/Polyester Teasel Fabric for Pockets, with 105 to 210cm Width

Key Specifications:

- Teasel (brushed) pocket fabric
- Material: 100% cotton, T/C polyester
- Width: 105 to 210cm
- Weight: 90 to 150gsm

Model Number: 2262-grey-green

Cotton/Polyester Teasel Brushed Fabric for Pockets, with 105 to 210cm Width

Key Specifications:

- Teasel (brushed) pocket fabric
- Material: 100% cotton, T/C 100% polyester
- Width: 105 to 210cm
- Weight: 90 to 150gsm

Model Number: 3204

Teasel (Brushed) Pocket Fabric in 105 to 210cm Width

Key Specifications:

- Materials: 100% cotton T/C 100% polyester
- Width: 105 to 210cm
- Weight: 90 to 150gsm

2. Sanding fabric

Model Number: 1023-black

Sanding Dyeing Pocket Fabric with 110 to 150cm Width

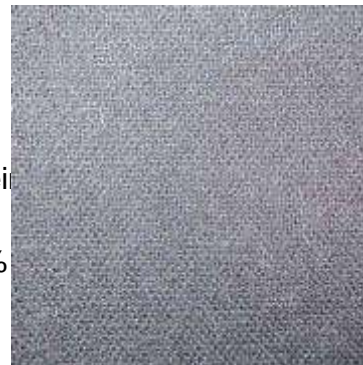

Key Specifications:

- Sanding (slight brushed or warm) fabric
- Material: 100% cotton and T/C pol
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 1023-bleached**Sanding Dyeing Fabric for Pockets, Made of 100% Cotton****Key Specifications:**

- Sanding (slight brushed or warm) dyeing fabric
- Materials: 100% cotton and T/C 100%
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 1023**100% Cotton Sanding Slight Brushed/Warm Dyeing Pocket Fabric****Key Specifications:**

- Cotton 100% sanding (slight brushed or warm) dyeing pocket fabrics
- Material: 100% cotton or T/C 100%
- Width range: 110 to 150cm
- Weight range: 60 to 130gsm

Model Number: 1023-grey**110 to 150cm Sanding Dyeing Pocket Fabric, Made of 100% Cotton****Key Specifications:**

- Sanding (slight brushed or warm) dyeing fabric
- Material: 100% cotton, T/C 100% poly
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 1023-light-grey**Slight Brushed or Warm Dyeing Pocket Fabric in 100% Cotton Sanding****Key Specifications:**

- Cotton 100% sanding (slight brushed or warm) dyeing pocket fabrics
- Material: 100% cotton, T/C 100% poly
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 1023-light-grey-2**Sanding Dyeing Pocket Fabric with 110 to 150cm Width, Made of 100% Cotton****Key Specifications:**

- Sanding (slight brushed or warm) dy fabric
- Material: 100% cotton, T/C 100% pc
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 3051-bleached-1**Cotton/Polyester T/C Herringbone Fabric with 142 to 210cm Width, Ideal for Pockets****Key Specifications/Special Features:**

- Herringbone pocket fabric
- Material: 100% cotton, T/C polyester
- Width: 142 to 210cm
- Weight: 90 to 150gsm

3. Herringbone fabric

Model Number: 3051**Cotton/Polyester T/C Herringbone Pocket Fabrics with 142 to 210cm Width Range****Key Specifications:**

- Material: 100% cotton T/C 100% polyester
- Width range: 142 to 210cm
- Weight range: 90 to 150gsm

Model Number: 3051-white-1**Cotton/Polyester T/C Herringbone Fabric with 142 to 210cm Width, Suitable for Pockets****Key Specifications/Special Features:**

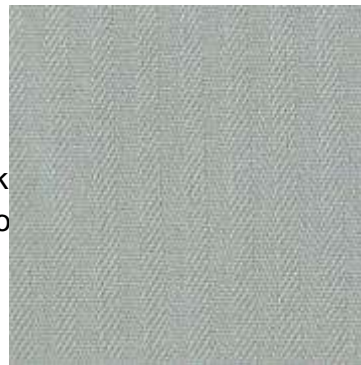

- Herringbone fabric
- Suitable for pockets
- Material: 100% cotton, T/C polyester
- Width: 142 to 210cm
- Weight: 90 to 150gsm

Model Number: 2021-black-1**Cotton/Polyester TC Herringbone Pocket Fabric with 142 to 210cm Widths****Key Specifications/Special Features:**

- Cotton/polyester TC herringbone pocket fabric
- Material: 100% cotton T/C or 100% polyester
- Widths: 142 to 210cm
- Weights: 90 to 150gsm

Model Number: 2021-dark-grey**Herringbone Pocket Fabric, Made of Cotton TC or Polyester****Key Specifications/Special Features:**

- Material: 100% cotton T/C or 100% polyester
- Widths: 142 to 210cm
- Weights: 90 to 150gsm

Model Number: 2021-white**Cotton/Polyester TC Herringbone Pocket Fabric in Various Weights****Key Specifications/Special Features:**

- Herringbone pocket fabric
- Materials: 100% cotton, T/C 100% polyester
- Widths: 142 to 210cm
- Weights: 90 to 150gsm

4. Printing fabric

Model Number: 1220**Plain Printed Cotton Fabric, Suitable for Garments and Pockets****Key Specifications:**

- Cotton: 100% plain printed fabrics for garment fabric and pocket fabric
- Material: 100% cotton T/C, 100% polyester
- Width: 110 to 210cm
- Weight: 90 to 150gsm

Model Number: 3058**Printed Polyester Fabric, 100% Body Lining Fabric, with 150cm Width****Key Specifications:**

- Printed
- 100% body lining fabrics
- Width: 150cm
- Weight: 60 to 130gsm

Model Number: 2168-green-1**Cotton/Polyester TC Twill Printed Pocket Fabric with 110 to 210cm Widths****Key Specifications:**

- Material: 100% cotton T/C or 100% polyester
- Widths: 110 to 210cm
- Weights: 90 to 150gsm

Model Number: 202712-pink-1**Body Lining Fabric with Printing, Made of Polyester/Cotton****Key Specifications:**

- Printed body lining fabric
- Material: polyester/cotton
- Width: 110 to 156cm
- Weight: 80 to 150gsm

5. Twill Pocketing fabric

Model Number: 2019008**90 to 150gsm Polyester/cotton Twill Pocket Fabric with 110 to 210cm Widths****Key Specifications:**

- Twill pocket fabric
- Materials: 100% cotton, T/C 100%
- Widths: 110 to 210cm
- Weights: 90 to 150gsm

6. Plain Pocketing fabric

Model Number: 63008-black

100% Polyester Plain Pocket Fabric in Various Weights,
with 110 to 210cm Widths

Key Specifications:

- Plain pocket fabric
- Material: 100% cotton, T/C 100%
- Widths: 110 to 210cm
- Weights: 90 to 150gsm

Model Number: 1629-light-blue

Plain Dyeing Pocket Fabric with 110 to 210gsm Width, Made of Cotton

Key Specifications:

- Material: 100% cotton, T/C, 100% p
- Width: 110 to 210cm
- Weight: 90 to 150gsm

Model Number: 2013-white

Cotton/Polyester T/C Plain Fabric with 110 to 210cm Width

Key Specifications:

- Plain fabric
- Suitable for pockets
- Materials: 100% cotton and T/C polyester
- Width: 110 to 210cm
- Weight: 90 to 150gsm

7. Fabric for Cap

Model Number: 2265

Cotton/Polyester T/C Plain Fabric for Cap, with Waterproof Shell

Key Specifications:

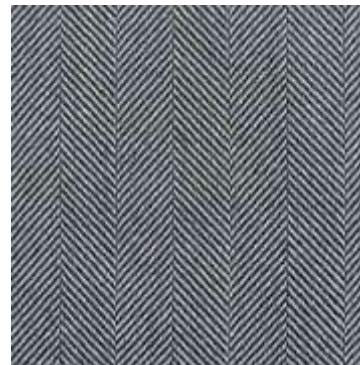

- Material: 100% cotton or T/C cotton/nylon
- Width range: 110 to 260cm
- Weight range: 90 to 300gsm

Model Number: 2265-beige-grey-1**Cotton/Polyester T/C Plain Waterproof Shell Fabric****Key Specifications:**

- Cotton/polyester plain waterproof shell fabric
- Suitable for caps
- Material: 100% cotton, T/C cotton/nylon
- Width: 110 to 260cm
- Weight: 90 to 300gsm

8. Suits fabric**Model Number: YF-7****Fabric with 125 to 150cm Widths, Made of 97% Cotton and 3% Spandex, Ideal for Suits****Key Specifications:**

- 97% cotton 3%spandex suit fabric
- Materials: 100% cotton, T/R polyester/nylon, cotton/linen and 100% wool
- Widths: 125 to 150cm
- Weight: 90 to 280gsm

Model Number: 8335-1-1**Polyester/Rayon T/R Fabric, Suitable for Suits, with 125 to 150cm Width****Key Specifications:**

- Materials: 100% cotton, T/R polyester/nylon, cotton/linen and 100% wool
- Width: 125 to 150cm
- Weight: 90 to 280gsm

9. Yarn-dyed fabric**Model Number: 1099****Polyester/Cotton T/C Yarn-dyed Cloque Shirt Fabric with 125 to 148cm Widths****Key Specifications:**

- Material: polyester, cotton or T/C
- Widths: 125 to 148cm
- Weights: 90 to 150gsm

10. Sleeve lining fabric

Model Number: 3002

Polyester Fabric with 60 to 120gsm Weight

Key Specifications:

- 100% sleeve inside lining fabrics
- Material: polyester/rayon or 100% polyester
- Width: 150cm
- Weight: 60 to 120gsm

Model Number: 30059

Plain Polyester/Rayon Sleeve Inside Lining Fabric with 150cm Width

Key Specifications:

- Plain sleeve inside lining fabrics
- Material: polyester/rayon, 100% polyester
- Width: 150cm
- Weight: 60gsm to 120gsm

Model Number: 3044-1

Plain Polyester Sleeve Inside Lining Fabric with 60 to 120gsm Weight and 150cm Width

Key Specifications:

- Plain sleeve inside lining fabric
- Material: polyester/rayon, 100% polyester
- Width: 150cm
- Weight: 60 to 120gsm

11. Body lining fabric

Model Number: 4001

Twill Polyester/Nylon Body Lining Fabric, with Width 144cm, Suitable for Jackets

Key Specifications:

- Width: 144cm
- Double color polyester white and nylon black
- Suitable for body linings and jacket

Model Number: 4261

Twill Polyester/Rayon Sleeve Inside Lining Fabric with 60 to 120gsm Weights and 150cm Width

Key Specifications:

- Twill polyester/rayon sleeve inside lining fabric
- Width: 150cm
- Weights: 60 to 120gsm

Model Number: 54

Herringbone Polyester Fabric with 150cm Width

Key Specifications:

- Herringbone polyester/rayon body lining fabrics
- Material: 100% polyester/rayon
- Width: 150cm
- Weight: 60gsm to 130gsm

Model Number: 55

Twill 100% Polyester Body Lining Fabric with 150cm Width and 60 to 130gsm Weight

Key Specifications:

- Twill body lining fabric
- Material: 100% polyester
- Width: 150cm
- Weight: 60 to 130gsm

Model Number: 56

Satin Polyester/Rayon Body Lining Fabric with 150cm Width and 60 to 130gsm Weight

Key Specifications:

- Satin polyester/rayon body lining fabric
- Material: 100% polyester/rayon
- Width: 150cm
- Weight: 60 to 130gsm

Model Number: 62

Jacquard Polyester/Rayon Body Lining Fabric, Comes with 150cm Width

Key Specifications:

- Material: 100% polyester/rayon
- Width: 150cm
- Weight: 60 to 130gsm

Model Number: LF2004-44

100% Polyester Twill Pocket Fabric with 90 to 150gsm Weights and 110 to 210cm Widths

Key Specifications:

- Twill pocket fabric
- Materials: 100% cotton, T/C 100% polyester
- Widths: 110 to 210cm
- Weights: 90 to 150gsm

Model Number: LR2002-40

100% Herringbone Polyester Body Lining Fabric with 150cm Width

Key Specifications:

- Herringbone polyester 100% body lining fabrics
- Material: 100% polyester
- Width: 150cm
- Weight: 60gsm to 130gsm

Model Number: 1088

Satin Pocket Fabric, Made of Various Materials, with 110 to 150cm Width

Key Specifications:

- Materials: 100% cotton, T/C 100% polyester
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 3053-1

**Satin Pocket Fabric, Made of 100% Cotton and Polyester,
with 110 to 150cm Width**

Key Specifications:

- Satin pocket fabric
- Materials: 100% cotton and T/C polyester
- Width: 110 to 150cm
- Weight: 60 to 130gsm

Model Number: 3056

**Satin Pocket Fabric with 110 to 150cm Width, Made of 100% Cotton
or 100% Polyester**

Key Specifications:

- Materials: 100% cotton, T/C 100% polyester
- Width: 110 to 150cm
- Weight: 60 to 130gsm

12. Terry fabric

Model Number: 7005-light-yellow

**Terry Fabric, Made of 100% Cotton, with 110 to 260cm Width
and 90 to 300gsm Weight**

Key Specifications:

- Material: 100% cotton, T/C cotton/nylon
- Width: 110 to 260cm
- Weight: 90 to 300gsm

Model Number: 7005-pink

Terry Fabric, Made of 100% Cotton, with 110 to 260cm Width

Key Specifications:

- Material: 100% cotton, T/C cotton/nylon
- Width: 110 to 260cm
- Weight: 90 to 300gsm
